TUCSON RUBBERIZED COATINGS™

PRODUCT NO. 750

MULTI-PURPOSE CLEANER

THE MOST VERSATILE ROOF PREPARATION CLEANER

Product No. 750 Multi-Purpose Cleaner is a concentrated roof cleaner manufactured with high quality detergents. The combination of solvent emulsion and wide dilution range makes Product No. 750 Multi-Purpose Cleaner extremely versatile for application on a variety of roof substrates. Product No. 750 Multi-Purpose Cleaner is low toxic and free of petroleum solvents.

Recommended for all substrates. Including re-coats, silicone, EPDM, TPO, asphalt based, tar, cap sheet, aluminum coated (removes oils to reduce the amount of bleed through) if rust is present, use a wire brush to clean the area first to utilize primer (297x) before coating.

Use Product No. 750 Multi-Purpose Cleaner to power wash surface once a year or at least every 18 months-24 months to ensure the longevity and highest reflectivity of your roof.

WHY USE OUR CLEANER...

- Maintain maximum energy savings
- Reduce structural heat transfer
- Improving adhesion on re-coat & repairs
- Extend the life of acrylic & silicone coatings
- Noncorrosive
- Biodegradable
- Highly Concentrated
- Nonflammable
- Free Rinsing
